

Fitter Turner / Mechanical Fitters

- Experienced tradesmen
- Based in Christchurch
- Variety of work
- Attractive hourly rate

Brightwater Services and Manufacturing, divisions of Brightwater, one of New Zealand's leading engineering service providers offering engineering and maintenance solutions throughout New Zealand and Australia are looking for reliable, self-motivated Fitter Turners and Mechanical Fitters.

Key Responsibilities will include:

- Fitting and machining
- Inspecting and servicing equipment
- Fault finding and diagnostic skills
- Fabrication and repairs
- Good Health and Safety practice.

Candidates will have a strong mechanical background with an ability to work without supervision. Preference will be given to those who have experience in forestry or quarrying equipment.

If you are interested send your application to:
careers@brightwater.co.nz or for more information contact
Joanne Macdonald, HR Administrator on 03 543 5300

All applications will be treated with the strictest confidence and close on the 10th February 2012
