

EXPERIENCED TRADESMEN

Seeking Fitter Turners, Fitter Welders, Fabricators, Mechanical Fitters and Maintenance Engineers for work in Nelson, Westport, Greymouth and Christchurch.

- Experienced tradesmen
- Regular travel to client sites
- Variety of work
- Attractive wage & regular overtime

Brightwater Services Ltd, a division of the Brightwater Group Ltd, is one of New Zealand's leading engineering service providers offering engineering and maintenance solutions throughout New Zealand and Australia.

We have openings for reliable, self-motivated trade staff for our Services Division. We are seeking Fitter Turners, Fitter Welders, Fabricators, Mechanical Fitters and Maintenance Engineers.

Key Responsibilities will include:

- Fitting and machining
- Inspecting and servicing equipment
- Fault finding and diagnostic skills
- Fabrication and repairs
- Good Health and Safety practice.

Candidates will have a strong heavy mechanical background with an ability to work without supervision. Preference will be given to those who have specific industry experience with Earth Moving equipment and in Forestry, Mining and Minerals, Renewable/Green Energy, Wine, Dairy and Water Treatment sectors.

Enquiries welcome, please contact Rachel Jones 03 543 5300.

Alternatively please send your application to: careers@brightwater.co.nz or Rachel Jones, HR Advisor, Brightwater Engineering, PO Box 43, Brightwater, 7022.

Please advise on your application which location/s you are applying for:
