Brightwater CEO	<ul style="list-style-type: none"> Ensure this policy is kept up to date
Employees and sub-contractors	<ul style="list-style-type: none"> Adhere to this policy

POLICY DESCRIPTION

Brightwater is committed to the management of its business in an environmentally responsible manner, to care for the environment in which we live and work, and to sustain its quality for the benefit of future generations.

All employees and sub-contractors of Brightwater will promote, adhere and work within the Policy Statement.

5. Policy Statements

The Environmental Policy Statement follows.

Brightwater

Environmental Policy Statement

Brightwater is committed to:

- Ranking the protection of the environment as a significant company objective.
- Continuously improve our company environmental performance.
- Using all our materials efficiently and effectively.
- Integrating environmental issues within our financial decision making.
- Using best practical options to prevent pollution.
- Proactively managing waste and recycling wherever possible.
- Complying at all times with applicable environmental legislation and environmental law.
- Promoting the efficient use of resources.
- Consulting with stakeholders, communities and interest groups.
- Communicating this Environmental Policy to all persons working for or on behalf of Brightwater.
- Showing environmental leadership and encouraging companies we deal with to improve their own environmental performance.
